## ***Summertime Fun with Paper Pumpkin***

July's Paper Pumpkin kit gives you everything you need for summertime papercrating bliss. This kit comes with nine cards featuring three designs that include a nautical theme. Want to make some awesome masculine cards??? This kit is for you!

July's kit coordinates with THREE suits in the new annual catalog. Mix and match the Come Sail Away, Garden Lane, and Woven Thread suites and you'll have projects for days. Long summer days that is!

I love this kit so much that I'm keeping my extra kits for myself that I normally have been selling. I'm going to keep them for the Paper Pumpkin Party I'm having this fall.

But don't fret, you have a couple options if you're not a subscriber and can't live without the July kit.

1. You can subscribe now to reserve your own July kit – do it now so you get one in case it sells out. Go to [mypaperpumpkin.com/en/?demoid=2127905](http://mypaperpumpkin.com/en/?demoid=2127905)
2. You can attend either of the Good Morning Magnolia classes this week and include a one-month prepaid code in your order and receive the class for FREE – you will need to add the code to your account and it will ship to you around July 11<sup>th</sup> or 12<sup>th</sup>

- Let me know that you'd like the July kit and I will increase my subscription by the number of people who would like a kit – the cost is \$25 with shipping and tax. Please let me know by July 2<sup>nd</sup> so I can manage my subscription before I leave on the cruise.

### ***Upcoming Classes – I'd love for you to join in for some stamping fun!***

Please RSVP to me as soon as you know you're going to attend class, so I can plan the number of kits to prepare for class and ensure there is a set of kits for you. Email [chrismbertram@msn.com](mailto:chrismbertram@msn.com), call / text to 920-960-4390 or pop me a FB message. You can see my whole schedule online at [cardsbychrisb.com](http://cardsbychrisb.com).

### ***Ribbon and Paper Shares***

Loving the new Designer Series Papers and Ribbons? Don't want to commit to a whole pack or a whole roll? I have a great option for you....share it with a friend you didn't know you had. I have a sign-up sheet for both shares. You can select either a half or quarter pack for the paper and the ribbons are grouped together and you would get between 2 and 3ish yards depending on what you select. Please sign up at a class with what you would like or let me know what you want and I'll sign you up. I'll also sign you up for the newsletter drawing if you tell me what you were most excited to read in this newsletter is.

### ***New 3D Embossing Folder Plate***

We have a new manufacturer for our die cutting and embossing folders. The new 3D embossing folders are a little bit thinner than the old Dynamic folders and they require a shim. You can use 6 sheets of cardstock as a shim or you can get the NEW 3D Embossing Plate shown below. The item code is 149658 and it's \$10.

Details:

- Use this plate the same way you used the single clear cutting plate on the Dynamic embossing folders.
- Stampin' Up! is getting a new die cutting machine to replace the Big Shot - we do not know what that machine will be yet. But this new plate will be used with it.
- You cannot use this new plate with the old Dynamic embossing folders - it is too thick. You will continue to use one clear cutting plate for those.

## ***Stampin' Up! Trimmer Blades***

Stampin' Trimmer Cutting Blades have arrived. Set your alarm if you've been waiting to order....or better yet, let me know how many you want and I'll order them for you. There is a limit of 3 per person so we'd have to figure that part out if more than three are claimed.

The Stampin' Trimmer Cutting Blades (item 126995) will become available on June 27, at 10:00 AM (MT). Shop here – [christinebertram.stampin.net](http://christinebertram.stampin.net) – use host code **CPH7YKSP**

## ***Storage by Stampin' Up! is Available Again***

All the Storage by Stampin' Up! products are currently back in stock. SU is watching the inventory closely and will reorder accordingly, but it is possible these items will run out of stock again and return to Not Orderable status for a time.
