

Happy June Everyone!

May started off with a bang and ended up with an even bigger bang. I squished everything that I wanted to do for the whole month into the first two weeks so that I could spend as much time vacationing as I could in the second half of the month.....and it worked out. I went into the trip exhausted, but because of the time change the bed called my name early and I got plenty of sleep each night. The first few days were all about relaxing and then after that the days were filled with endless activities. We did and saw so much. My mom, boyfriend Tyler, and brother Tom had a great time as well.

It feels so long ago that we made cards together and it was great to reconnect with you for the Swap Card Showcase this past Thursday night. Thank you again to all of you for your signing up early for June classes and supporting Kelly these past few weeks while she filled my shoes! She did a great job!

There is a lot coming up in June and I'm looking forward to crafting with you more!

Congratulations to Cathy Jackson for winning the May Monthly Creative Challenge, to Phaline Mays and Deanne Estelle for winning the Card Class Challenge for May (I have prizes from my stash for all of you), to Ellen Brover for winning the May Newsletter drawing (she won a \$10 gift certificate to use in June), and to many others who have won the cards I make during my online classes!

Anna Rebedew was the winner of the scavenger hunt. The Mystery Card Night drawing was today, congrats to Karen Wettstein and Julie Birschbach. The Top Fan drawing was also held today and the winners were Diane Ronge, Debbie Schuldt, and Anne Miller. They all won prizes from my stash. LuAnn Johnson was the winner of a set of card kits for the Launch Party Class and Linda Hodge was the winner of a set of the Chicken Cards, both prizes awarded for sharing FB posts in the VIP group. Please reach out to me if you're on my team or placed an order with me in the last 6 months and you're not in the VIP group. I would love to add you.

Upcoming Classes – I'd love for you to join in for some stamping fun! Stamping with ME = FUN

Please RSVP to me as soon as you know you're going to attend class, so I can plan the number of kits to prepare for class and ensure there is space and a set of kits for you.

I have Facebook Live Online classes on Thursday nights....and some Monday nights...and some Friday nights for those not ready to venture out yet and if you aren't local....I'd love for you to join me live or catch the replay. Please RSVP for online classes if you want to make the cards along with me.

Last Chance Products

The January–June 2021 Mini Catalog will be retiring soon! It's always bittersweet to see a classic Stampin' Up! catalog take a trip to retirement. But, I'm looking forward to all the new products on their way—and I hope you are, too!

Stock up on your favorite products before they're gone for good! Save up to 50% on essential craft supplies. What are you waiting for? Start shopping! After all, this selection of Last Chance Products is only available while supplies last.

Each Last Chance Products promotion typically includes a Retiring List (products that will no longer be available once the catalog retires) and it can be found in the email sent or on my website at - <https://cardsbychrisb.squarespace.com/newsletters>

Discounts are not always available with the Retiring List.

All products are available while supplies last, and there are no purchase limits.

The sale starts June 1st and ends June 30th.

The Kits Collection

Created to be both an easy business-building tool and the perfect introduction to papercrafting, the Kits Collection by Stampin' Up! will help especially help a new group of customers—beginners!—some of whom might become avid papercrafters and even demonstrators someday.

With the Kits Collection, customers can now go online and choose from a variety of affordably priced, versatile kits for multiple occasions. I would love to host events for you and your friends—where everyone will choose and make their own kit—this allows new (and slightly nervous!) papercrafters to be in control and choose the kit experience that is most comfortable for them.

Each kit will provide step-by-step instructions, giving you an expertly choreographed experience that encourages success and builds creative confidence. Kits are all-inclusive, pre-cut, and ready to use; plus, new kits will be added regularly so be sure to check back often!

Check out the new kits that are available online at – stampinup.com/kits

I also attached a pdf in the email that was sent with the newsletter. You can request to be added to the email group by sending an email to chrismbertram@msn.com for future newsletters.

The customer swap group is in full swing and they are loving it. There are about 10 swapping now. Since it is a month to month swap, anyone can join in the fun at any time. All you need to do is let me know you're interested, and I'll add you to the Facebook group for this group. They're already working on the cards for June, but you can always get in for the July cards.

Bow Makers and Glue Holders

I have bow makers and glue holders available for anyone interested. They are \$5 each plus shipping which is usually \$4. Email me if you are interested in getting either one. I can always add

one to a package of card kits going out and save you a little on the shipping.

Personalized Stamps

I hope those that have ordered personalized stamps through Kelly are liking them. For those that are interested in ordering any type of personalized stamp, like for the backs of your cards or for your return address on envelopes it isn't too late to order. Kelly is continuously receiving orders for them and orders them once a sheet fills up. You can reach out to her directly via email at **lamb101715@gmail.com** if you would like to see what is available or if you would like something special designed. You don't need to include me in the correspondence....this is her baby now.

Kelly put together some standard options and she can send them to you via email. Just pop her an email asking her to send you what she has to get started. She'll let you know specific pricing.
